Week 4/5: Cookers (Supplied by the Tutor)

Week 6: Hoovers (Bring in your own hoover)

Week 7: Sourcing parts at a fraction of the cost.

Week 8: Revision of the course content.

In Week 1 the tutor will inform you on what tools you will need to bring for the rest of the classes.

#### About the Tutor

John Smith has worked in the industry for many years. He has a wealth of knowledge. He has taught this class to many groups, in both further and Adult education, around the Dublin area. He supplies all the machines for the students to work on. His focus is to show students how to avoid costly call outs and repairs. He does this by imparting knowledge on the most common faults/problems and what actions to take next.

#### Enrolment Details

Courses will only be run if there are sufficient enrolment numbers. Course enrolment for a particular course may only be secured by full payment of course fee. Fees are strictly non-refundable unless the school decides not to run a course, in which case all fees will be refunded by post or directly to your credit card.
