Course Description

During this course you will restore an old piece of furniture under the guidance of Valerie O'Donoghue.

Valerie has many years' experience in both furniture design and restoration, and in addition to helping you complete your project, she will help you acquire the skills to complete other restoration and upholstery projects.

Class size is limited to just 12, ensuring that you receive all the tutor guidance that you require, but because of the small class numbers, places are likely to fill up quickly. Book early to avoid disappointment.

If you would like further details on this course, or would like to discuss the sort of project that you could work on, contact the class tutor Valerie on 0879067604 or email her at valerie@4odo.com
